Manboy (Eric Saade)

You've got the looks,
you've got the beauty inside
You've got the looks,
that money can't buy
You want to live like
all the stars on TV
You wanna love with someone like me...

Give me love, give me love and don't go
Give me love, give me, give me lo-o-ove

Manboy, manboy,
you can call me manboy
I don't care, I'll show you how to love
There's no halo 'round my head, no
There's no angels here
Manboy, manboy,
you can call me manboy

(Oho, oho, oho-oho-oh-oh)
(Oho, oho, oho-oho-oh-oh)
Oh-ho

Manboy, manboy,
you can call me manboy (oh-o o-ho)
Hey!
Manboy, manboy,
you can call me manboy
I don't care, I'll show you how to love

There's no halo 'round my head, no,
there's no angels here
Manboy, manboy (manboy, manboy)
You can call me man...boy

(Oho, oho, oho-oho-oh-oh)
(Oho, oho, oho-oho-oh-oh)
(Oho, oho, oho-oho-oh-oh)
Ooh!!!!
