Uncover (Zara Larsson)

Nobody sees, nobody knows
We are a secret, can't be exposed
That's how it is, that's how it goes
Far from the others,
close to each other

In the daylight – in the daylight
When the sun is shining
On a late night, on a late night
When the moon is blinding
In the plain sight, plain sight
Like stars in hiding

You and I burn on, on
Put 2 and 2 gether – 4ever
We'll never change
2 and 2 gether, we'll never change

Nobody sees, nobody knows
We are a secret, can't be exposed
That's how it is, that's how it goes
Far from the others,
close to each other

That's when we uncover
cover cover
That's when we uncover
cover cover

Put 2 and 2 gether – 4ever
We'll never change
2 and 2 gether, we'll never change...

Nobody sees , nobody knows
We are a secret, can't be exposed
That's how it is, that's how it goes
Far from the others, close to each other
That's when we uncover
cover cover
That's when we uncover
cover cover
That's when we uncover
